CRU: TRANSFORMATIONAL LEADERSHIP MOVEMENT; 909-748-7849

This Is How God Works

WIN, BUILD, SEND

One of Cru's core values that has always been believed and practiced is the concept of "win-build-send." **Win** means doing evangelism and winning people to Christ; **Build** is where we disciple a believer and help him or her to grow and mature in his or her relationship with God; **Send** relates to a person going somewhere to replicate the process of win-build-send with new people.

Marti and I continually practice win-build-send with international students in our ministry at local colleges. One student, whom I'll call Mary, started coming to our seeker Bible study on Friday nights. She's at the "win" stage. A couple of weeks ago, we gave her a dual-language Bible (in English and her own language) to help her understand God's Word and, hopefully, soon come to Christ.

A second lady, whom I'll call Sue, accepted Christ three years ago. We've built into her life spiritually and she's grown as a new Christian. She even influenced Mary to start attending our Bible study, since they're roommates. Two weeks ago, Sue graduated from a local university and has already returned to her home country. She's been "sent" and will share Christ with others in her new location.

We thank God for your partnership, which allows us the special opportunity to practice win-build-send with these and other international students.

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age"
(Matthew 28:19-20).

The FISHERS' MAY PRAYER REQUESTS and THANKSGIVINGS

Dale — “Please pray that I’ll have wisdom when I do some curriculum editing this month and during an upcoming meeting to explore starting Transformational Leadership Movement [TLM] in Mexico.

“Also, kindly pray that I’ll get my identity more from Christ and worry less about my appearance.”

Marti — “Pray that I’ll see many more situations through the eyes of our Lord and be transformed so I can think and act more like Jesus.”
