## This Is How God Works

### GREAT COMPASSION

**Last week, Marti and I returned from Kenya** where we celebrated the graduation of eighteen pastors from our four-year leadership-training program. Pastor Richard was one of those receiving a certificate.

Richard was recently practicing Prayer-Care-Share, a simple outreach and evangelism tool, on the slope of Mount Kenya where he led a father to Christ. Wanting to get to know the man more, and also desiring to show care for the man, Richard visited the man's home. There he discovered what the home of the man, his wife, and two children, one of whom was an adolescent daughter, was like. They were living in a short, wooden structure slightly taller than a dining room table, too short for a person to stand up inside. Richard felt compassion for them and decided to do something about it. He held a big fundraiser in his church. It raised over 220,000 Kenya Shillings (about \$2,000). With that money, he built them a three-bedroom house with a cement floor, one in which they could now stand upright.

We are very thankful that God moved the heart of this faithful TLM pastor into compassionate action.

Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience (Colossians 3:12).

Louis is a Prayer-Care-Share leader in Kenya who's initiated a new outreach ministry to motorcycle-taxi drivers, allowing them to worship collectively, early Monday mornings. Read Dale's brief and encouraging account, with photos, [on this page](#).

## **The FISHERS' OCTOBER PRAYER REQUESTS and THANKSGIVINGS**

**Dale** — "Thank you for praying for our trip to Kenya. Marti and I traveled safely and stayed healthy the entire time. The graduation went smoothly and we had a wonderful trip. Please pray that all eighteen Kenyan pastors will continue to multiply and build into their second, third, and fourth generations of leaders, and that they'll also expand throughout Kenya.

"The TLM staff conference in Scottsdale, AZ, runs from the 8th to the 12th, including travel time. Please pray that it will be a good time of relationship building and curriculum revision. Finally, pray that the presidential election in Cameroon on October 7 will be without violence, and the country will find internal regional peace after the election."

**Marti** — "Please pray for my adjusting back to US living after spending a wonderful two weeks in Kenya: life moving faster, continuation of our international Bible study, and discipline of younger believers. Thanks."

**Anna and David (and Miriam)** — "I am almost eight months pregnant. Pray for a good homestretch and delivery of our second daughter. Please continue to pray for wisdom in parenting Miriam. We thank God that our business was able to take on another employee. Thanks for praying." — Anna

**Andrew and Liz** — "Liz and I have a praise. Yesterday, escrow closed on our house in Eagle River, Alaska. Thank God. We pray that it will be a place where God can be glorified and people can come to know him. Thanks. Love you all."

**Adah and Cory** — "Pray that we'll finish spending our last month in the US well with family and friends before moving overseas next month. Pray for Grace's health in our travels and transition. Praise God that Grace has done great so far! Pray for God to prepare friendship and evangelism relationships for us when we arrive in our new city." — Adah
