**PATRIOT DAY**  
REMEMBERING SEPTEMBER 11

Ten years ago, September 11, 2001, the unthinkable happened to this nation. America was attacked, international terrorism hit home, and we were forever changed.

Nearly 3,000 people lost their lives; thousands more in our military made the ultimate sacrifice defending our freedoms in the war against terror.

Join friends in the Chapel parking lot on 9/11, for worship, remembrance, and prayer on this significant occasion.

See the ["9/11 American Airlines Pilot" video](#).
