

Facts about your Kline's Fitness Club membership

Family rates

A **family rate** applies to families of four people living at the same address.

Additional family members will be charged \$10.00 per person per month.

Note: Use of indoor club facilities is restricted to family members 13 years of age or older, who are following a fitness program.

Freeze feature

Our yearly memberships include a unique "freeze" feature enabling you to place your membership on hold if you'll be out of the area for a while. It can be on hold from one to three months. You can freeze your account once a year. A \$20.00 fee will be charged for this freeze feature. However, no charge will be made for a "medical hold."

Guest passes

For your friends and clients: All Kline's Fitness Club memberships are entitled to one or two daily guest passes per month. Request yours at the front desk or by phone.
