

Join the Mother Lode Friends of Music

The public is invited to support the activities of the Mother Lode Friends of Music by becoming members. Members receive by mail advance notice of all forthcoming concerts, including detailed program notes. In addition, members receive first priority for tickets to all events, including the highly popular house concerts where tickets are of limited availability. The Friends of Music depends on its members' dues and donations to meet its basic operating expenses.

Membership dues for the 2009–2010 season are \$25 per household. We encourage our supporters to supplement their membership dues with a tax-deductible donation (FEIN 68-0315583). Membership dues are for one year and can be paid at any time.

Use the membership order form insert.

House Concert Series

A series of more intimate concerts of instrumental and vocal music performed in some of the area's most beautiful homes, followed by food prepared and served by the area's most talented chefs and caterers.

Members are notified two to three weeks before of each event.

On the Internet

For up-to-date, detailed information about all Friends of Music events, plus directions to concert sites, consult our web site at www.mlfm.org.
